WORK EXPERIENCE

Sr. Art Director

VMLY&R / Dallas, Texas / November 2015 - Present

Working on websites, apps, and anything else that falls under the realm of digital, with occasional print, branding, and conceptual work. Clients included Banfield Pet Hospital, IHG, Intel, General Mill, Kimberly Clark, Mars, Microsoft, Murphy, Sams's Club, and Valvoline.

Sr. Designer

LEAP / Cincinnati, Ohio / September 2014 - November 2015

As a Senior Designer, I was able to oversee and work with junior creatives to complete websites, apps, and even some identity work, working with clients like First Group, Cintas, and Third Federal. This also involved closely working with developers to oversee the completion of each project.

Designer

POSSIBLE / Cincinnati, Ohio / March 2010 - September 2014

Fulfilled the role of Designer, to complete projects ranging from websites and banners ads to pre-roll video and even instore kiosks. Clients included Chef Boyardee, Reddi-wip, Snack Pack, RedBull, Fifth Third Bank, Healthy Choice, ConAgra Foods, Marie Callendar's, and many more. I was involved in projects starting with the planning phase and on through launch. This involved storyboarding, design, illustration, photography, and sometimes video work.

Freelance Designer & Illustrator

Seattle, Washington / September 2009 - March 2010

Working in the Seattle area I was able to work with varied clients on identity development, websites, and illustration projects.

Associate Designer

Humaniz / Salt Lake City, Utah / September 2007 - September 2009

Worked on various websites and web based applications, for such clients as Deer Valley Ski Resort, Zero Halliburton, Iomega, and LANDesk, among others. Fulfilled the role of Junior Designer, while also working as an illustrator and photographer for various projects. This also included working closely with developers to oversee projects.

EDUCATION

Bachelor of Fine Arts

Brigham Young University - Idaho / Rexburg, Idaho / 2001 - 2007

Obtained a Bachelor of Fine Arts degree with an emphasis in Graphic Design.

SKILLS

Art Direction, Photography, Illustration, Branding, Identity, Web Design, UX, Wireframing, Concepting, Storyboarding

Proficiency with Photoshop, Sketch, Illustrator, InDesign, and Office Suite.
